Both the parties provides an educational environment where students can reach their full potential in their chosen discipline and become responsible citizens without compromising in ethics and also provide a scholarly environment where the talents of both, the faculty members and students are nurtured and utilised to create knowledge and technology for the benefit of the society.

Sharnbasva University is a private university in Kalaburagi, Karnataka. It is the first private university to be established in the Kalyana-Karnataka region.

And

Medini Technologies, delivers innovative and future-ready technology solutions in the field of Design | Construction | Product Design | Skill Building & Internationally Industry Recognized Certification. Predominantly AEC-Architecture, Engineering & Construction and as well Product Design & Manufacturing Industry. Together, the company is associated with high-end corporate houses and academic institutes, where it organizes training and consultation. Located in Bangalore, the company provides excellent knowledge, skill and unique innovation ideas stimulating the competitive minds of architecture, engineering, construction and manufacturing professionals.

Medini Technologies is successfully working with many private and government organizations serving them with perfect technology solutions to meet their client demand satisfactorily, to name few: ISRO, URSC, Atkins, Alstom, Featherlite, Micron, Cadence, Axiscades, L&T, WSP and others.

Over the years, the company's dedicated effort and endeavour have consistently supported it to construct and extend its prosperous portfolio including some of the world's leading providers of CAD, CAM, CAE, PLM, Hardware, Software, 3D printers like Autodesk, PTC, Trimble Sketch-up, Ansys, Bentley, Dassault Solidworks, Oracle, and Microsoft as their Training, Certification & Academic Support Partner.

Training, Certification & Academic Support Partner

Medini Technologies also has an MoU with AICTE for bridging Academia & Industry. Which in turn support the technical institutes for skill development and internships.

Whereas **Second Party** and **First Party** (jointly referred to as "Parties") pursuant to discussion of their common interests are convinced and desirous of availing mutual assistance in the areas of architectural planning & academic research and consultancy services and project related exposures generally in relevant fields of architecture for mutual benefit and have agreed to enter into an Understanding of Cooperation/ Collaboration between them

  
Registrar  
Sharnbasva University  
Kalaburagi-585103 - Kamataka - India

The Parties have reached an Understanding as follows:

#### 1. PURPOSE:

The purpose of this MOU is to explore future opportunities for mutual Cooperation/ collaboration involving strategic academic/research partnership and in the areas of professional engagements for the benefit of both the Parties.

The initial key focus will be to explore opportunities as per the below given framework. As this relationship matures and based on the successes of the engagements, it is aspired that this will grow into a strategic relationship leading to collaboration in the following areas in the longer term.

#### Support for software's: Medini Technologies

Being partner with Autodesk & Bentley First Party will support SECOND PARTY for software's related to Architecture. Where in SECOND PARTY will assign a mail ID to control all the licenses properly. (Ex: map@iitbbs.ac.in, where in map stands for Medini Academic Partner). The Service charges will be applicable for installation and maintaining the same, the details are been attached in Annexure I.

- All the details of software installations will be mailed by MEDINI TECHNOLOGIES to second party
- Hereon both parties will be called as Digital Transformation Partner
- Second Party permits First Party to handle all the communication relating to the software which is from the above-mentioned companies. Both the party assures that the software installed by First Party will be used only by them (First Party & Second Party only). By any chance no other organisation is authorized to use the software.
- Second Party assures that no commercial projects or activities will be done by them on the software provided by First Party
- **Seminars/Workshops/Conferences:** To keep the MoU active both the parties will assure to have minimum 3 events annually, if any kind of commercials involved in it, it will be discussed mutually and taken forward.

#### 3. TERM AND TERMINATION:

This MOU shall be effective from 06<sup>th</sup> March 2023 (notwithstanding the date of execution of this MOU) and shall remain valid for a period of three (3) years unless terminated by either Party on three months' written notice to the other. No such termination shall however affect the continuity of any of the activities already pursued under this MOU, until its logical conclusion. The MOU may be renewed for further period/s subject to mutual consent.

#### 4. LIABILITY:

Each Party will bear its own costs and expenses associated with this MOU unless otherwise agreed in writing with reference to any specific Activity Agreement thereof.

*Mallikarjun*

#### 5. COORDINATORS:

Each Party shall have a Coordinator for the MoU who shall be responsible for initiating organizing, implementing and coordinating the areas of co-operation contained in Section 2 of this MoU. The contact details of the coordinators shall be as stated herein and may be changed by the Parties at any time during the term of this MOU by communication in writing.

The institute will assign a coordinator for the complete program and the details of the same will be shared by mail or in written.

#### 7. CONFIDENTIALITY

Each Party shall treat all non-public or proprietary information, whether commercial, technical, financial or of whatever nature, received from the other Party under this MOU ("Confidential Information") as confidential, and shall not, without the prior written consent of the other Party, use or disclose the same, or permit its use or disclosure, by any persons or entities, other than its employees and professional advisors who need to know such information to assist in performing its duties under this MOU.

The Party receiving the Confidential Information will use the Confidential Information solely for performance of this MOU and will use the same degree of care to protect the Confidential Information as it uses with its own information, but no less than a reasonable degree of care.

The foregoing provisions and the confidentiality obligations therein shall not apply to: (i) information which is required to be disclosed by law, governmental authority, legal process or court order; (ii) information which was rightfully in the receiving Party's possession before receipt from the disclosing Party; (iii) information which, after disclosure, is made available to the receiving Party in good faith by a third party under no obligation of confidentiality to the disclosing Party; (iv) information which is independently developed by the receiving Party without the use of confidential information from the disclosing Party; or (v) information which, after disclosure, is published, becomes known publicly, or otherwise becomes part of the public domain through no fault of the receiving Party.

DISCLOSER WARRANTS THAT IT HAS THE RIGHT TO DISCLOSE CONFIDENTIAL INFORMATION TO RECIPIENT.

The obligations in this Section 7 shall continue throughout the term of this MOU and survive its termination or expiration for a period of three (3) years.

#### 8. LOGO USE:

Neither Party will use the other Party's logo or trademark (s) without the express prior written permission of the other Party.
