# Report

## Day- 1

A student training program was organized from 18<sup>th</sup> Jan to 04<sup>th</sup> Feb 2023 at computer science and engineering department, FETW, SUK. This was 15 days Student Training Program where various related sub topics were discussed in detail by eminent speaker from ICT academy and a very beneficial academic environment was experienced by the students.

The training program was inaugurated on 19th Jan, 2023 with the Lamp Lightening ceremony followed by Invocation song. The dignitaries were welcomed and presented bouquet. The first technical session was on the topic Salesforce Fundamentals; which included introduction to CRM, Salesforce and Trailhead Platform. The lecture was very beneficial and had Hands-on on the same post lunch.

## DAY- 2

On the second day students were able to explore the fundamental concepts of Salesforce Platform related to data modeling and management. Formulas and Validations necessary for data consistency and accuracy also have been taught. Lastly, Picklist Administration crucial for maintaining standardized data entry by offering predefined choices for specific fields has been rendered.

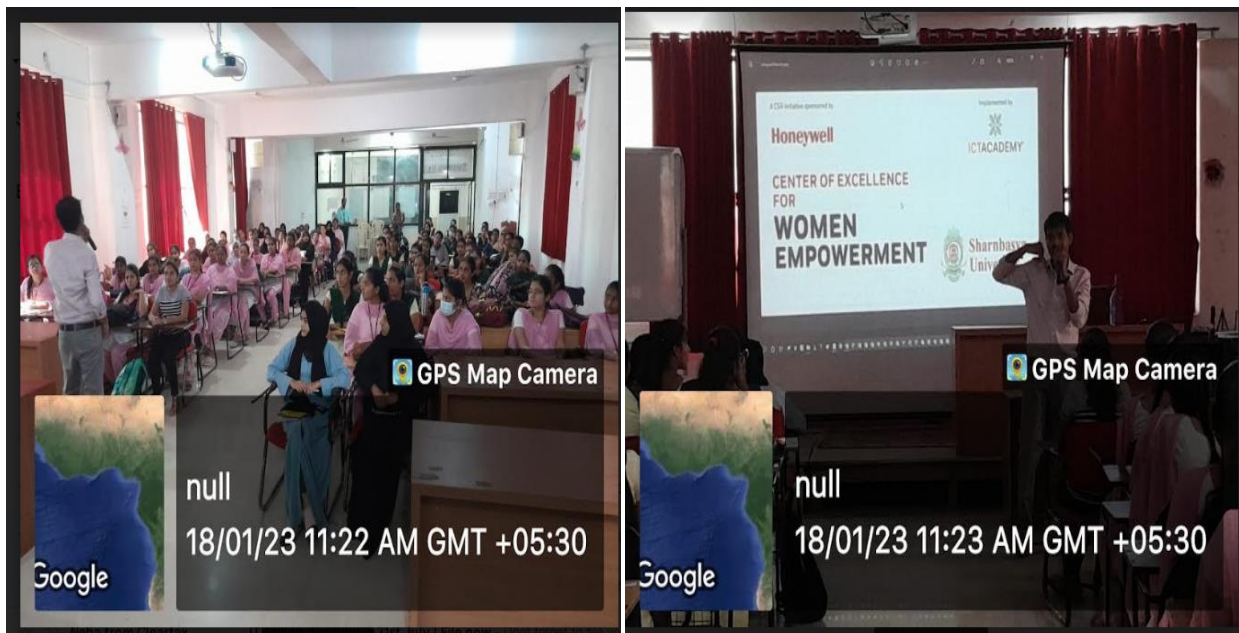

Theory sessions delivered by resource person

## DAY- 3

On the third day the students were given insights on the significance of data modeling within the Salesforce ecosystem, with a focus on two crucial areas: B2B Commerce on Lightning Experience Data Model and Marketing Cloud Data Management. Additionally, the students were provided insights into Salesforce User Management, covering User Basics and User Authentication.

## **DAY- 4**

On the fourth day students were rendered a robust understanding of User Management, Data Security, Permission Set Groups, and Salesforce Flow essential for organizations seeking to optimize their Salesforce experience. These topics ensure that user access and permissions are managed effectively, safeguarding sensitive data and facilitating smooth and efficient business processes through the power of automation.

## **DAY- 5**

On the fifth day, students explored the fundamental aspects of user interface development in Salesforce, focusing on Visualforce, Lightning Experience, and Lightning Web Components (LWC).

Lab Sessions conducted for students

## **DAY- 6**

On the sixth day the session aimed to provide a comprehensive and practical guide on customizing the user interface for a Recruiting App and building Apex coding skills for Platform Developer I Certification.

## **DAY- 7**

On the 7<sup>th</sup> day practical examples and hands-on exercises were provided to students to reinforce learning and practical application of the concepts discussed. By the end of the session students gained a comprehensive understanding of Apex development, database interactions, debugging tools, search solutions, and event-driven architecture.

## **DAY- 8**

On the eighth day the session focused on the crucial topics related to Apex development, specifically emphasizing debug and deployment tools, Apex testing, asynchronous Apex, and Apex integration services.

The rest seven days included revisions, three assessments and question discussion and after every session students had practical sessions.

In the closing ceremony, Participants have shared their valuable feedback and experience about this workshop and also talked about their learning outcome. Then certificates are given to each participant through online from ICT website. Finally proposed a vote of thanks.
