Report

Day- 1

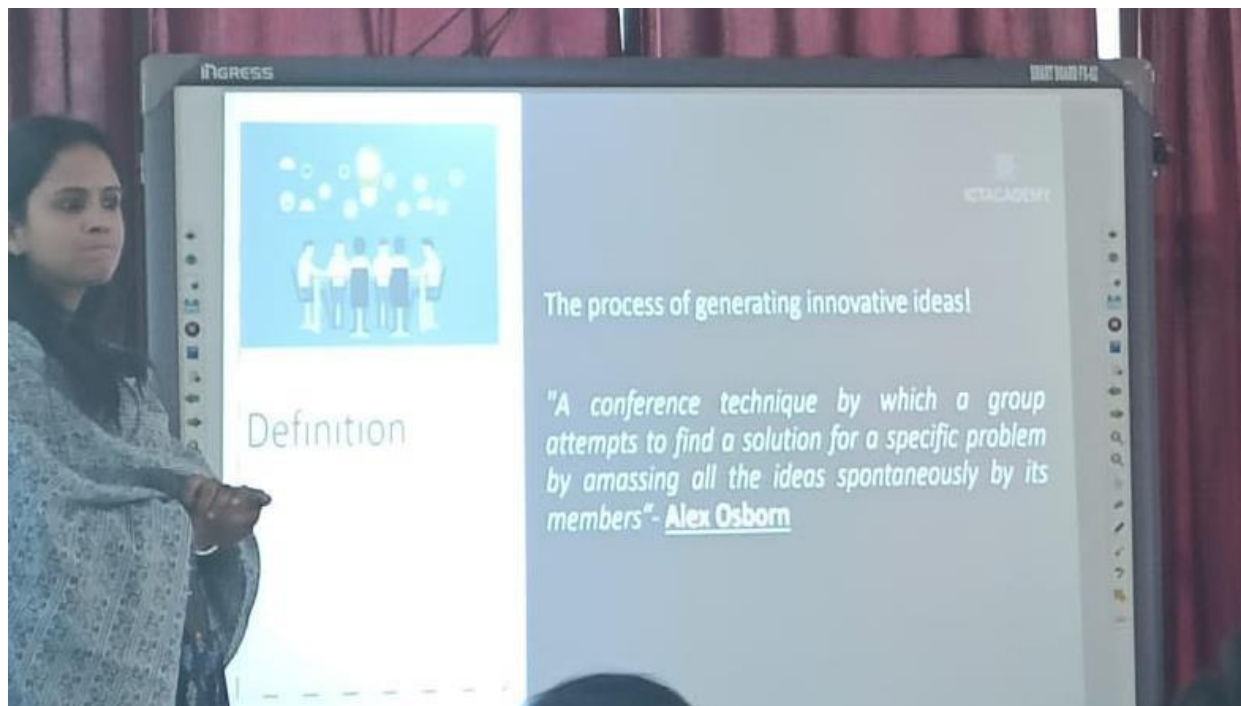

A faculty development program was organized from 10th to 12th January 2023 at computer science and engineering department, FETW,SUK. This was a three day Faculty Development Program where various related sub topics were discussed in detail by eminent speaker from ICT academy and a very beneficial academic environment was experienced by the participants.

The FDP was started on 10th Jan, 2023 with the Lamp Lightening ceremony followed by Invocation song. The dignitaries were welcomed and presented bouquet. The first technical session was on the topic Idea generation, it was about how the new idea will be generated. The lecture was very beneficial and provided an insight on the various challenges associated which a teacher educator has to overcome. The next session was followed by lunch.

DAY- 2

Session – 1

Idea Generation On the first day of Workshop, more than 50 participants have taken part who are made familiar with different aspects of entrepreneurship, during next 40 hours of workshop, idea making and its execution on a small scale takes place. After the Idea Generation, Teams of participants are formed who carry out the idea.

Session – 2

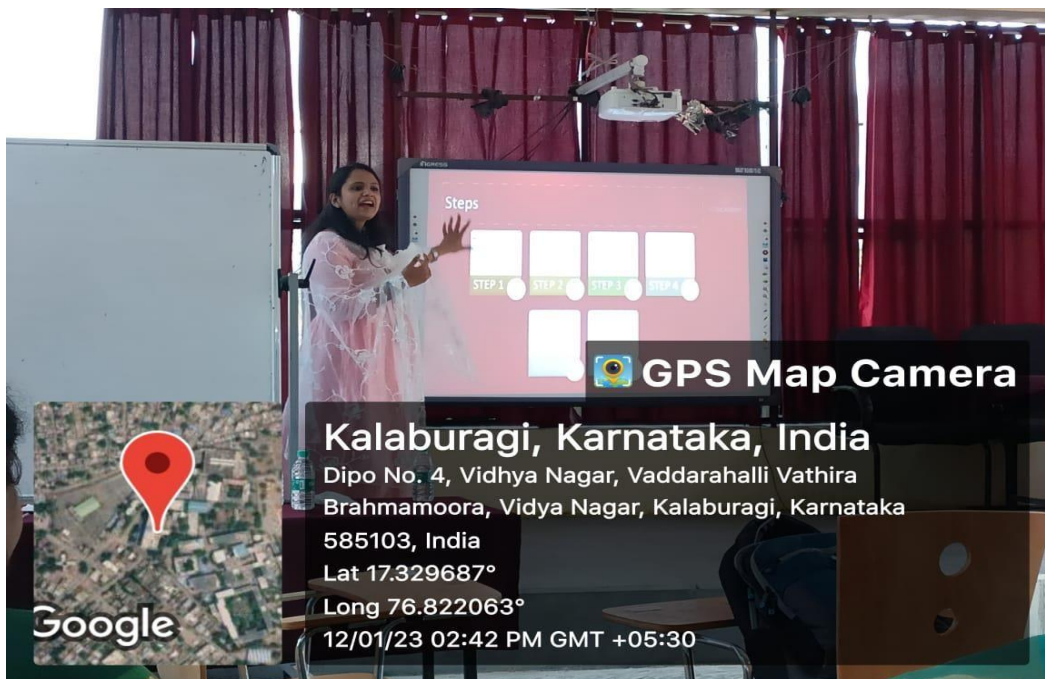

Brain Storming of Ideas In this session different teams are given certain topics theme like Chem Tachiya, Oculus, Badlav, thread from Plastic waste, Cement block using plastic waste, HHO kit, Blood Collective, Blind Stick, Fire Safty Device, Solar Pannel for Chrging Battery etc. They have to think on this theme developing a product as a solution. It was utilized to address the specified issue. Each group was tasked with creating aids after lunch, and at the conclusion of the day, they made magazines.

DAY- 3

Session 1

Third day session was on 6 thinking hats, that is a way of investigating an issue from a variety of perspectives, but in a clear, conflict free way. The same thing has been applied to our defined problem and finally we have understood the way of solving problem clearly.

Session 2

In the closing ceremony, Participants have shared their valuable feedback and experience about this workshop and also talked about their learning outcome. Then certificates are given to each participant through online from ICT website. Finally proposed a vote of thanks.
